If you are pleased with your results and the care you received at CPTE, we'd love to hear about it. You may call, write, e-mail (aelsass@cpte.net), or stop by and tell us about your experience. If you would like, you can give us permission to use your testimonial in our newsletter, on our web site, and in our company marketing.

### CREDIT CARDS

Keeping up with co-pays and co-insurance can be a hassle. You can save the time of writing a check or finding your credit card by keeping your credit card "on file". Our billing staff will keep your card number in a secure file and charge your card after each visit. You will get a receipt for each transaction. It's once less thing that you have to remember. Talk to Sue or Heidi.
